Maritime Youth Convention - Chaperone Declaration

The Group Leader brings this completed sheet to the MCY19 registration area on October 18. You can make copies if needed. The purpose of this form is to ensure proper chaperoning, confirm names of all event attendees, and confirm ages of all students. If a student from your group is being chaperoned by another group, they should be listed on the other group's form. Ie: If a student from Group A is being chaperoned by someone in Group B, that student must be listed on Group B's Chaperone Declaration.

Please ensure contact numbers for Group Leaders and Chaperones are correct, as they may be used in the case of an emergency.

MCY19 is not responsible for chaperoning attendees. We require teenagers have a chaperone during the entire MYC event (24 hours per day). A chaperone must be the same gender as the person they are overseeing and must be at least 21 years old. The maximum number of teens a chaperone can oversee is seven of the same gender. **Students must be 12 or older at time of event to register.**
